

PRACTICAL 6: WRITING BLOGS

WHAT IS BLOGGING?

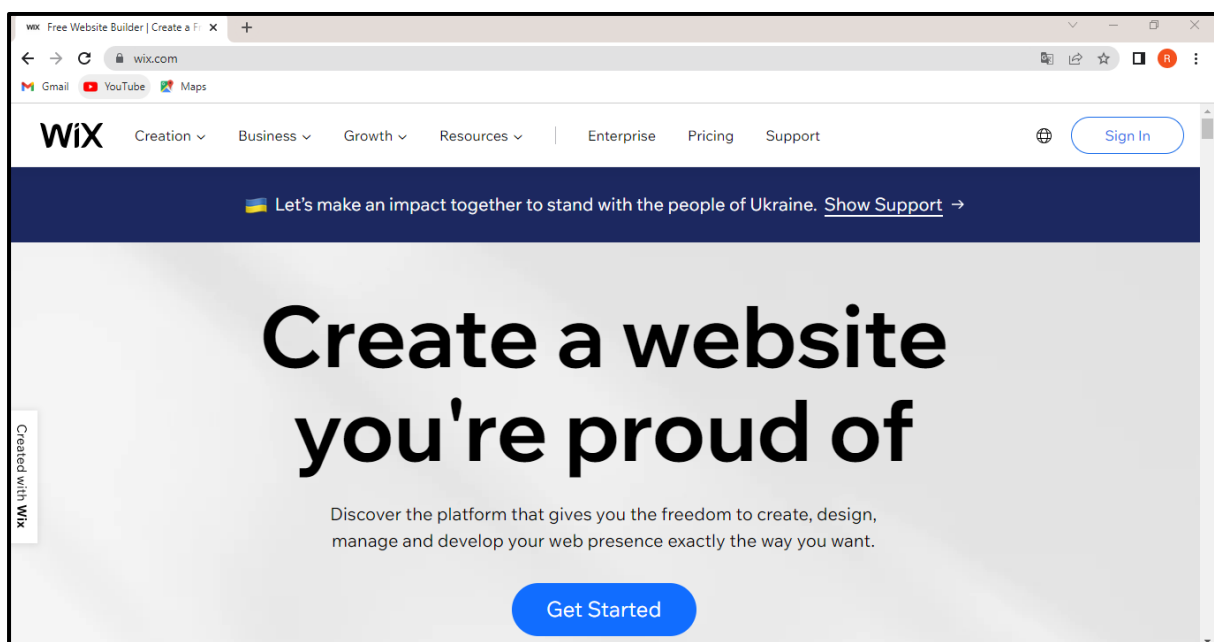

Blogging refers to writing, photography, and other media that's self-published online. Blogging started as an opportunity for individuals to write diary-style entries, but it has since been incorporated into websites for many businesses.

SITE USED: <https://www.wix.com/>

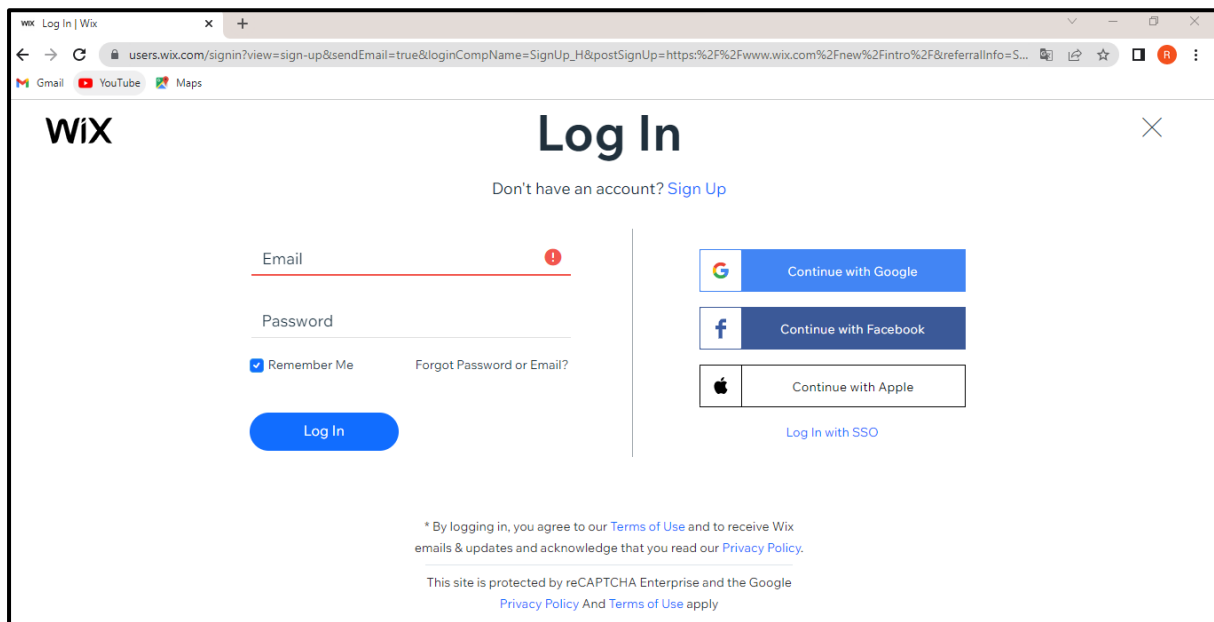

Wix.com Ltd. is an Israeli software company publicly listed in the US that provides cloud-based web development services. It allows users to create HTML5 websites and mobile sites through the use of online drag and drop tools. Along with its headquarters and other offices in Israel, Wix also has offices in Brazil, Canada, Germany, India, Ireland, Lithuania, the United States, and Ukraine.

Users can add social plug-ins, e-commerce, online marketing, contact forms, e-mail marketing, and community forums to their web sites using a variety of Wix-developed and third-party applications. The Wix website builder is built on a freemium business model, earning its revenues through premium upgrades.

- To create your blog, you need to visit the wix.com site and click on the signin button on the right side.

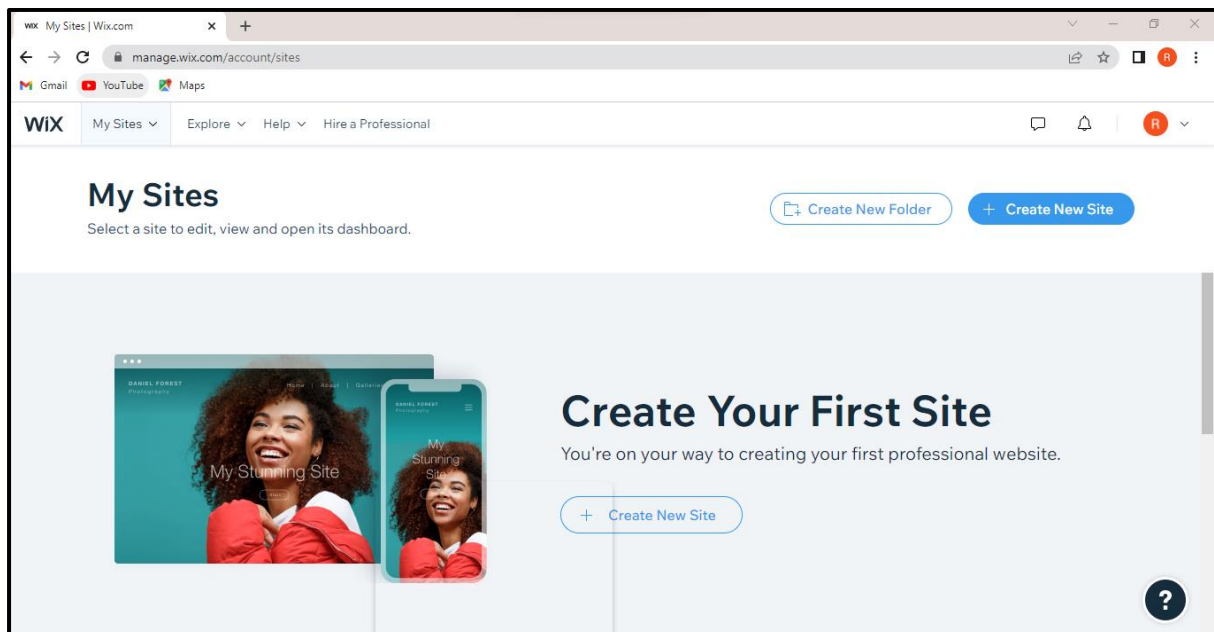

- Select whichever way by which you want to signin and add the details needed.

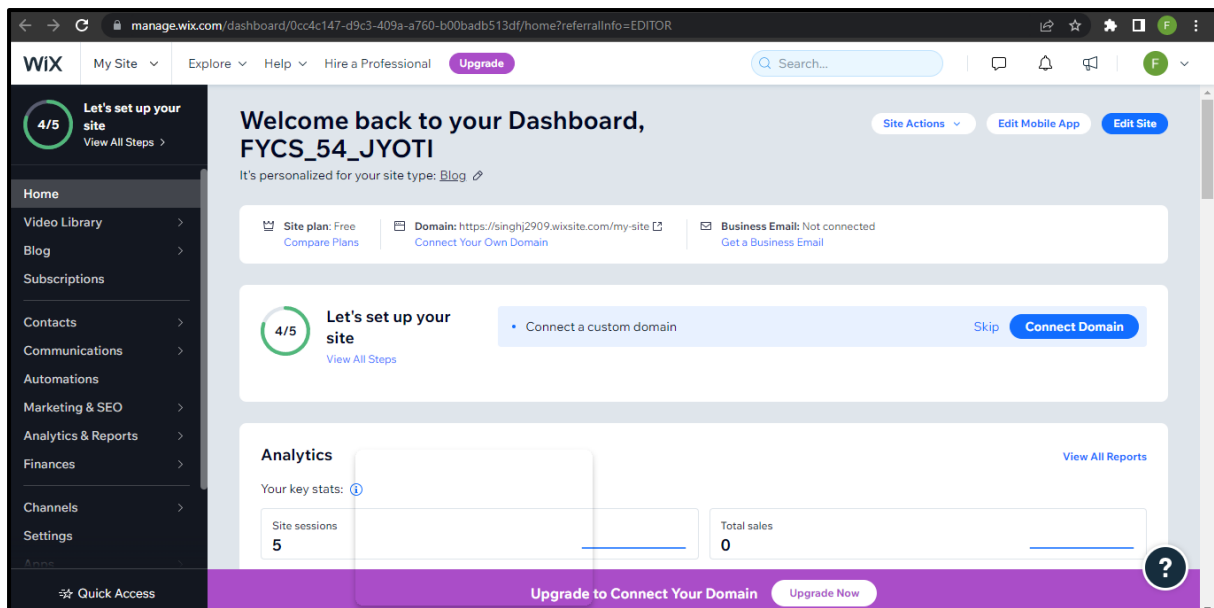

The image shows the Wix Log In page in a web browser. The URL bar shows a complex URL for signing in. The page has a white background with the Wix logo in the top left. The main heading is "Log In" in a large, bold, black font. Below it, there is a link "Don't have an account? Sign Up". The login form consists of two input fields: "Email" and "Password". The "Email" field has a red exclamation mark icon next to it. Below the "Email" field is a "Remember Me" checkbox and a link "Forgot Password or Email?". Below the "Password" field is a blue "Log In" button. To the right of the form, there are three social login buttons: "Continue with Google", "Continue with Facebook", and "Continue with Apple". Below these buttons is a link "Log In with SSO". At the bottom of the page, there is a disclaimer: "* By logging in, you agree to our Terms of Use and to receive Wix emails & updates and acknowledge that you read our Privacy Policy." and a note: "This site is protected by reCAPTCHA Enterprise and the Google Privacy Policy And Terms of Use apply".

- And once you have successfully signed in your account, you can now create your first website here

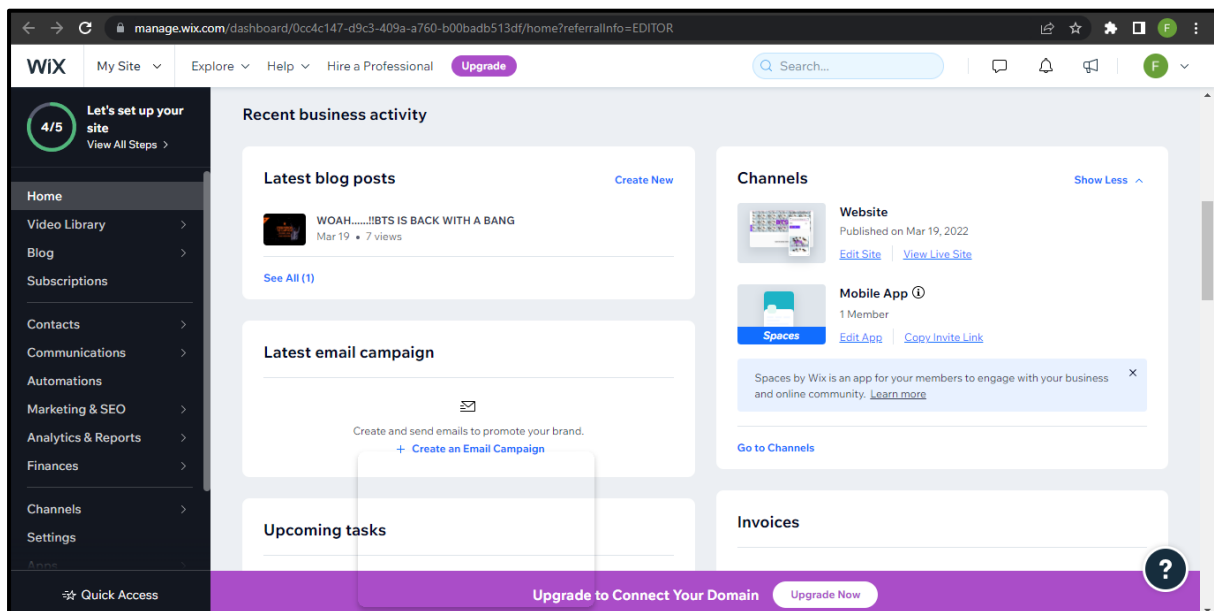

The image shows the Wix My Sites page in a web browser. The URL bar shows "manage.wix.com/account/sites". The page has a white background with the Wix logo in the top left. The main heading is "My Sites" in a large, bold, black font. Below it, there is a subheading "Select a site to edit, view and open its dashboard." and two buttons: "Create New Folder" and "Create New Site". The page features a large, light blue banner with a woman's face and the text "My Stunning Site". To the right of the banner, there is a large heading "Create Your First Site" and a subheading "You're on your way to creating your first professional website." Below this, there is a button "+ Create New Site". In the bottom right corner, there is a circular icon with a question mark.

- When done with website creation, you can see the dashboard where there are options to edit your sites and blogs.

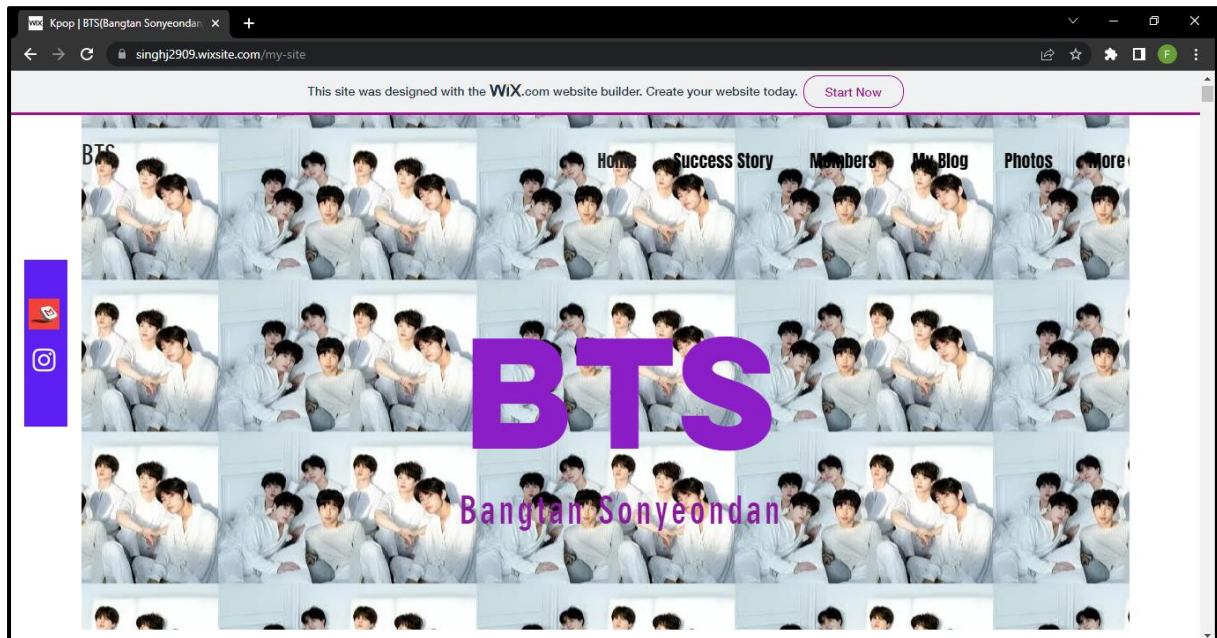

- And you can also see your recent activities.
